Dear LHS Family and Friends,

Our new logo design displays the tag line “Teaching Truth. Changing Lives” based on Ephesians 1:13. Every day, we strive to let God’s truth work through us so our lives can be changed to proclaim Him in everything that we do.

On behalf of the faculty and staff at Lutheran High School, I want to thank you for your outstanding support in this mission to prepare our students for a Christian life while providing academic excellence. The support that comes to us from families, alumni, friends, and corporate sponsors has provided the resources necessary to uphold a school climate that is rich in technology, student opportunities, college preparedness, and God’s Grace.

The 2012-13 year realized great successes from LuFest, our spring golf tournament, a student driven phone-a-thon, the capital campaign, and generous donors. Those contributions paired with student tuition, a strong army of volunteers, and our committed faculty and staff reveal both stewardship and a strong return of those many investments. Please enjoy this annual report as you see how God has richly blessed us through you.

It is exciting to move into the 2013-14 year. Plans to enrich our curriculum, physical campus, and prospective student accessibility are being designed and implemented for another great year in the mission of LHS.

Thank you in advance for your continued support. Thank you for your help in revealing His plan to our students through excellence in the classrooms, events, and activities of Lutheran High School.

To God we give our honor and praise,

Michael Brandt
