### **Dear LHS Family and Friends,**

Lutheran High School picks an annual Bible verse to lead the academic year and encourage our purpose and priority as Christians. Without putting the Word first, praying about our days, and asking God to empower us, we enter a world without protection from the attacks aimed to disrupt our every move. In Philippians 2:2-3 Paul encourages all of us to be of the same mind and in full accord while counting others more significant. He speaks to our purpose as messengers to be unified, selfless, and love driven. A great message to everyone as we consider the glory that has been promised to His people. Let us all take this message and together lift up the mission of our LHS.

On behalf of the faculty and staff at Lutheran High School, I want to thank you for that outstanding unified support in the mission to prepare our students for a Christian life while providing academic excellence. The support that comes to us from families, alumni, friends, churches, and corporate sponsors has provided the resources necessary to uphold a school climate that is rich in technology, student opportunities, college preparedness, and God's Grace.

The 2013-14 year realized great successes. The inclusion of many new student faces boosted the returning saints to lift up a strong college bound graduating class. While these students of LHS spend many hours in the classroom they also give of their time to positively impact others through service events like the Ray Skillman Clothe a Child, RTV6's Toys for Tots, weekends at Son-Rise Handi-Camp, Keep Indianapolis Beautiful planting projects, Christ Irvington's Playground Build, honor chapel services for veterans, police, fire, and emergency personnel, and their personal contributions to school wide charitable efforts.

The return of investment made to the mission of Lutheran High School can be seen in the many students who carry the message of Christ's love and grace throughout a world needing their drive, focus, service experience, and problem solving excellence.

It is exciting to move into the 2014-15 year as a unified body. Plans to grow forward will only be sustained through a solid vision, realized stakeholder commitment, and the stewardship of resources given to the mission that has been realized by many generations.

Thank you in advance for your continued support. Thank you for your help in revealing His plan to our students through excellence in the classrooms, events, and activities of Lutheran High School. And please enjoy this annual report as you see how God has richly blessed us through you.

To God we give our honor and praise,
